[57 FR 53397, Nov. 9, 1992, as amended at 61 FR 11477, Mar. 20, 1996; 61 FR 54921, Oct. 22, 1996]

§ 570.481 Definitions.

(a) Except for terms defined in applicable statutes or this subpart, the Secretary will defer to a state's definitions, provided that these definitions are explicit, reasonable and not plainly inconsistent with the Act. As used in this subpart, the following terms shall have the meaning indicated:

(1) *Act* means title I of the Housing and Community Development Act of 1974 (42 U.S.C. 5301 *et seq.*).

(2) *CDBG funds* means Community Development Block Grant funds, in the form of grants under this subpart and program income, and loans guaranteed by the state under section 108 of the Act.

(b) [Reserved]

[57 FR 53397, Nov. 9, 1992, as amended at 61 FR 5209, Feb. 9, 1996]

§ 570.482 Eligible activities.

(a) *General.* The choice of activities on which block grant funds are expended represents the determination by state and local participants, developed in accordance with the state's program design and procedures, as to which approach or approaches will best serve these interests. The eligible activities are listed at section 105(a) of the Act.

(b) *Special assessments under the CDBG program.* The following policies relate to special assessments under the CDBG program:

(1) *Public improvements initially assisted with CDBG funds.* Where CDBG funds are used to pay all or part of the cost of a public improvement, special assessments may be imposed as follows:

(i) Special assessments to recover the *CDBG funds* may be made only against properties owned and occupied by persons *not* of low and moderate income. These assessments constitute program income.

(ii) Special assessments to recover the *non-CDBG* portion may be made, provided that CDBG funds are used to pay the special assessment in behalf of all properties owned and occupied by low and moderate income persons; except that CDBG funds need not be used to pay the special assessments in behalf of properties owned and occupied by moderate income persons if, when permitted by the state, the unit of general local government certifies that it does not have sufficient CDBG funds to pay the assessments in behalf of all of the low and moderate income owner-occupant persons. Funds collected through such special assessments are not program income.

(2) *Public improvements not initially assisted with CDBG funds.* CDBG funds may be used to pay special assessments levied against property when this form of assessment is used to recover the capital cost of eligible public improvements initially financed solely from sources other than CDBG funds. The payment of special assessments with CDBG funds constitutes CDBG assistance to the public improvement. Therefore, CDBG funds may be used to pay special assessments, provided that:

(i) The installation of the public improvements was carried out in compliance with requirements applicable to activities assisted under this subpart, including labor, environmental and citizen participation requirements;

(ii) The installation of the public improvement meets a criterion for national objectives. (See § 570.483(b)(1), (c), and (d).)

(iii) The requirements of § 570.482(b)(1)(ii) are met.

(c) *Provision of assistance for microenterprise development.* Microenterprise development activities eligible under section 105(a)(23) of the Housing and Community Development Act of 1974 (the Act), as amended, (42 U.S.C. 5301 *et seq.*) may be carried out either through the recipient directly or through public and private organizations, agencies, and other subrecipients (including non-profit and for-profit subrecipients).

(d) *Provision of public services.* The following activities shall not be subject to the restrictions on public services under section 105(a)(8) of the Housing
